**US PATENT AND TRADEMARK OFFICE
6/29/02 RE: Application No. 10/075,569
Filing Date 02/13/02 Perpetual motion fan
module. By Rudolph v Bailey Sr.**

Commissioner for patents

Enclosed please find my revised application as it relates to my proto-type. This is a more versatile version of the present invention. Please note that there are no changes to the original embodiment only an additional alternate embodiment is enclosed. A complete set of pages are included. Thank you kindly for your cooperation.

Very truly yours

Rudolph v Bailey Sr.
